**Kyiv National University
of Construction And Architecture**

WORKING PROGRAM

Ukraine
Kyiv
22-23
may
2019

**V International
Scientific-
Practical
Conference**

**TRANSFER OF INNOVATIVE
TECHNOLOGIES 2019**
(Underwater Technologies)

KNUCA, Povitroflotsky Avenue 31, Kyiv, Ukraine, 03680
Hall of Science Advice KNUCA, a.466
www.uwtech.at.ua, <http://library.knuba.edu.ua/node/37841>

Founder of conference
Kyiv National University
of Construction and Architecture

- Co-organizers**
- ✓ Department of Education and Science of Ukraine
 - ✓ Institute of Telecommunications and Global Information Space of the NAS of Ukraine
 - ✓ Kyiv office the Polish Academy of Sciences
 - ✓ Admiral Makarov National University of Shipbuilding

Original works and authoritative reviews of innovative technologies in construction, architecture, other fields of science and technology.

New solutions and methods for measuring, predicting and studying the properties of materials, structures, technological processes. Different aspects of design, production and operation of industrial, civilian objects, infrastructure.

Problems of energy, ecology, computer and information technologies
